Rupture (2025)

Songs From the Fracture

Listen to the album

Genre: Doom/Avantgarde
FFO: Triptykon, Leonard Cohen, Portishead
Location: Rome, Italy
Album length: 38:41
Tracks: 10
Status: Ready
Formats: LP / CD / Digital

Rupture is a full-length album developed over several years through a process of revision and redefinition. Existing material was deliberately reshaped and recontextualised, resulting in concise compositions built on clear song structures and focused arrangements. While rooted in doom metal, the record moves freely between acoustic, folk, post-punk and industrial textures, balancing contrast and restraint within a cohesive listening experience.

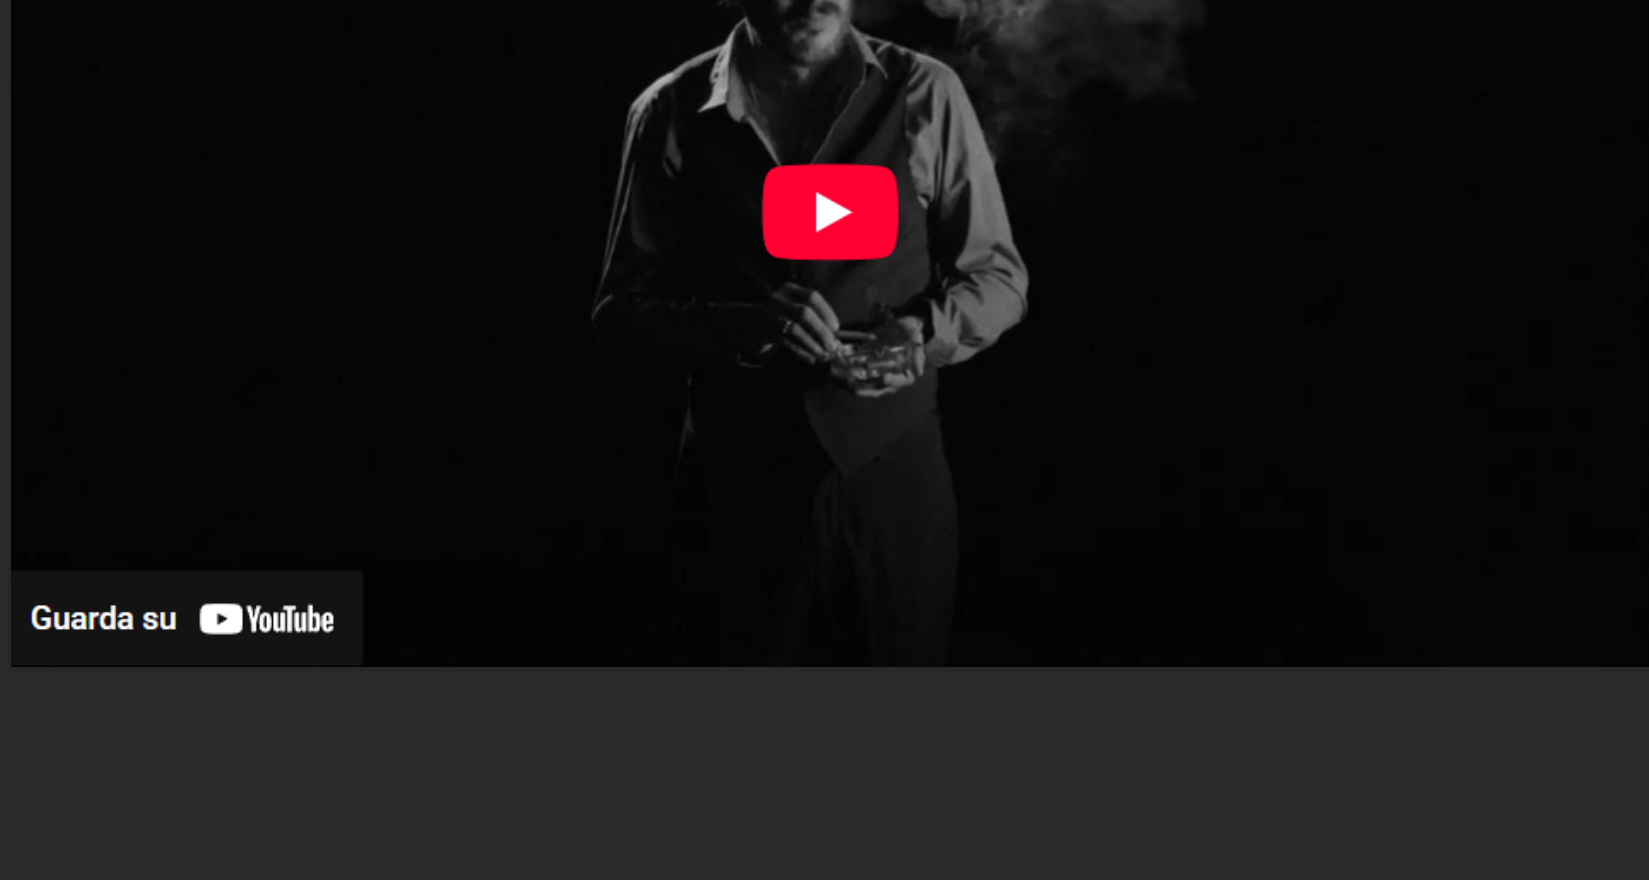

Conceived as a unified physical work, **Rupture** places strong emphasis on sequencing, atmosphere and narrative flow, allowing its diverse influences to coexist without fragmentation.

Single:
Of Clouds And Gleam

Focus Tracks:
- The Revenant
- The Deer and the Hunter

Watch the video

“Of Clouds and Gleam”

Directed by Dalia Silvestri

Concept: The video unfolds across two interwoven “uterine” spaces: a confined, decaying rehearsal room where creation and catharsis occur through friction, and an abstract, expanded black space inhabited by three figures at different stages of life. Rather than illustrating a narrative, the video treats trauma, guilt and loss as internal states, expressed through restrained gestures and repetition, mirroring the song’s tension between confinement and release.

· NIGHT · GAUNT ·

Night Gaunt formed in Rome with the intention of exploring a darker, more intimate dimension of heavy music, where weight and fragility coexist without mediation. Rooted in doom metal but resistant to rigid genre boundaries, the band’s sound draws from stark contrasts and emotionally uncompromising voices. Music is approached as a visceral and exposed act, seeking a direct, almost private connection with the listener. After years of releases, performances across Italy and Europe, and profound internal transformations, Night Gaunt reassembled in 2023 with a renewed sense of focus. What exists today is not a revival, but a reshaped identity, centered on atmosphere, physical sound and the album as a unified emotional space.

Releases
2014 – Night Gaunt
2016 – Jupiter’s Fall EP
2018 – The Room
2020 – For Her Light/Sorrows of the Moon EP

Selected Festival and Tour History
– Hammer of Doom Festival (GER, 2016)
– Doom Over Vienna (AUT, 2019)

– Italian minitour with **Abysmal Grief** (2015)
– *The Chalice and the Blade Tour* with **Cauchemar** (2016)
– *Path of Gloom European Tour* with **Black Oath** (2019, Killtown Bookings)
– *Italia Nocturna Tour* with **Bedsore** (2024, Killtown Bookings)

Night Gaunt have also shared the stage with Samael, Primordial, Messa, Lord Vicar, Grave Miasma, Saturnus, Noothgrush, Mystifier, Caronte.

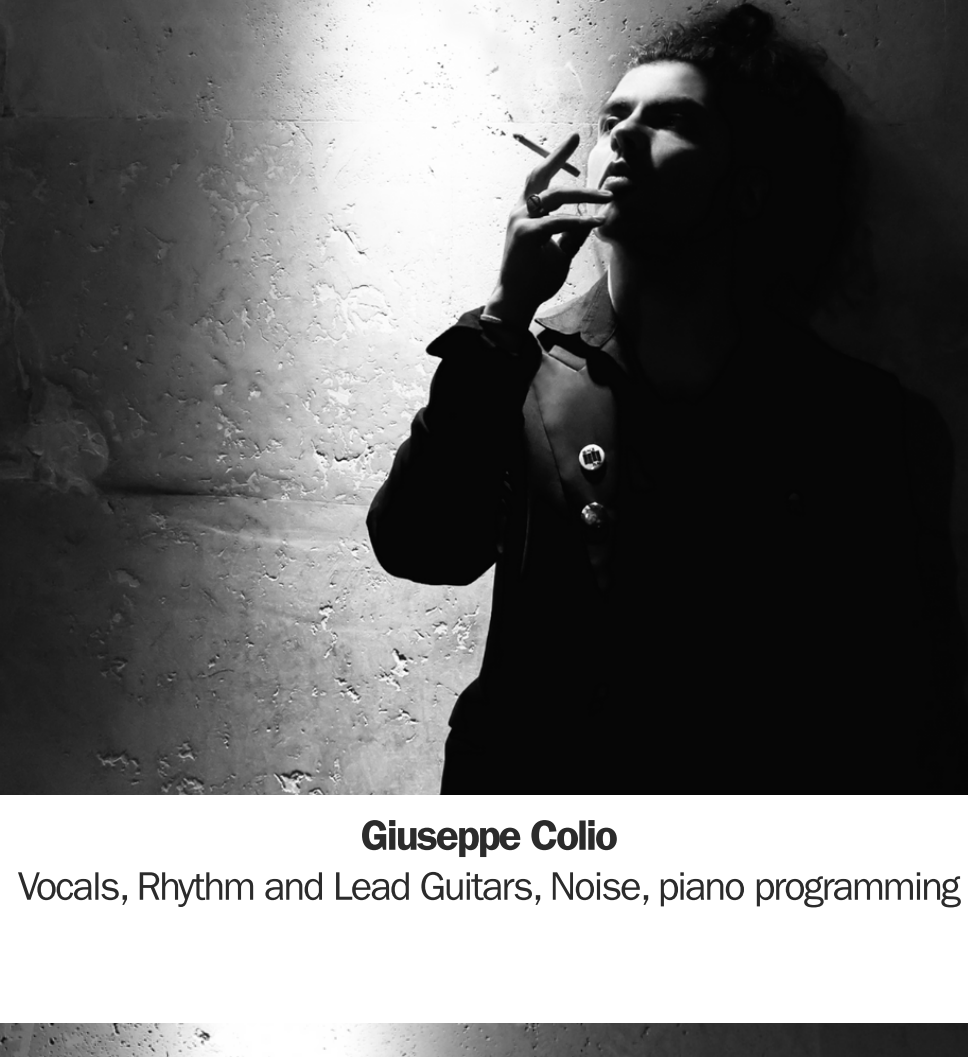

WHY SVART RECORDS

Rupture was developed under conditions that required time, persistence and a willingness to work without immediate reward. Rather than adapting the material to external expectations, we chose a slower and more demanding process, reshaping the record around form, atmosphere and long-term coherence. This approach aligns closely with the way Svart Records has consistently approached heavy music across its catalogue.

In this context, **Rupture** and Night Gaunt do not seek placement, but continuity: a shared understanding that records built through friction, patience and intent are meant to exist beyond immediate cycles of visibility.

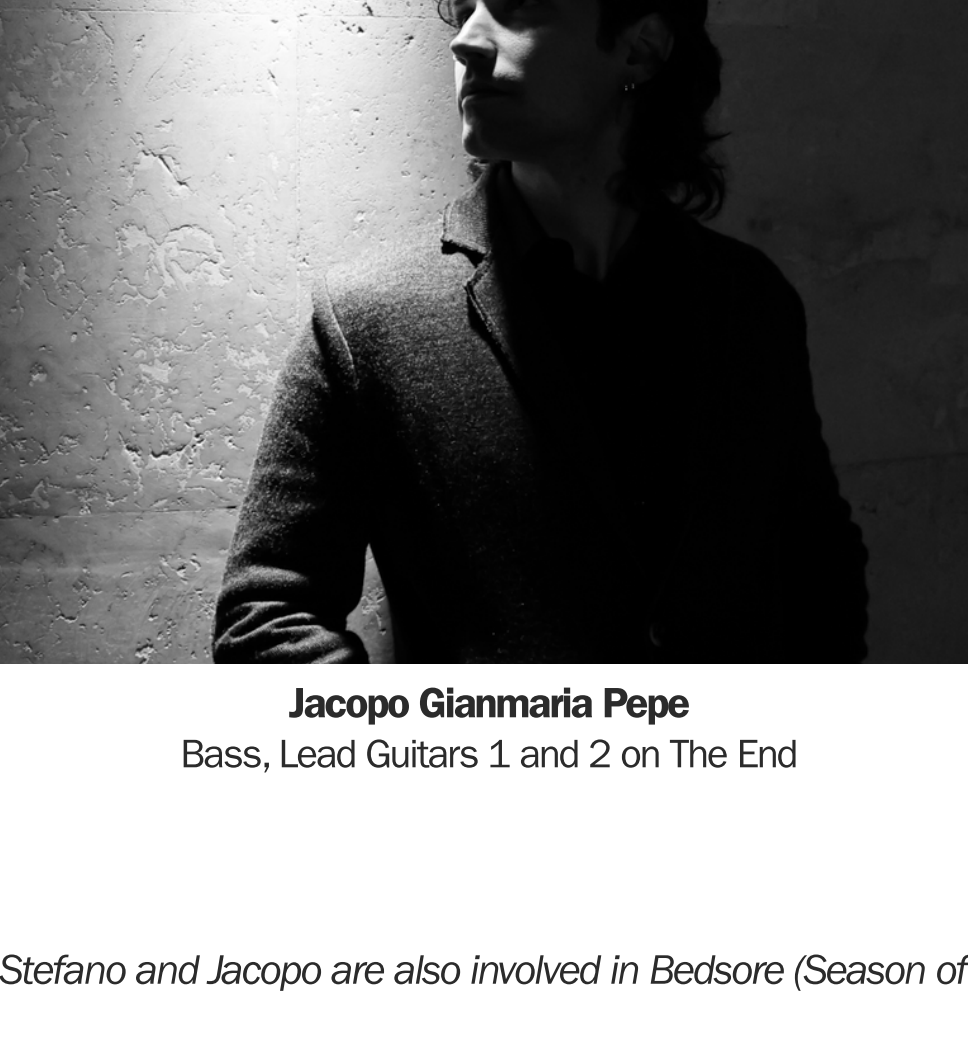

Band Lineup

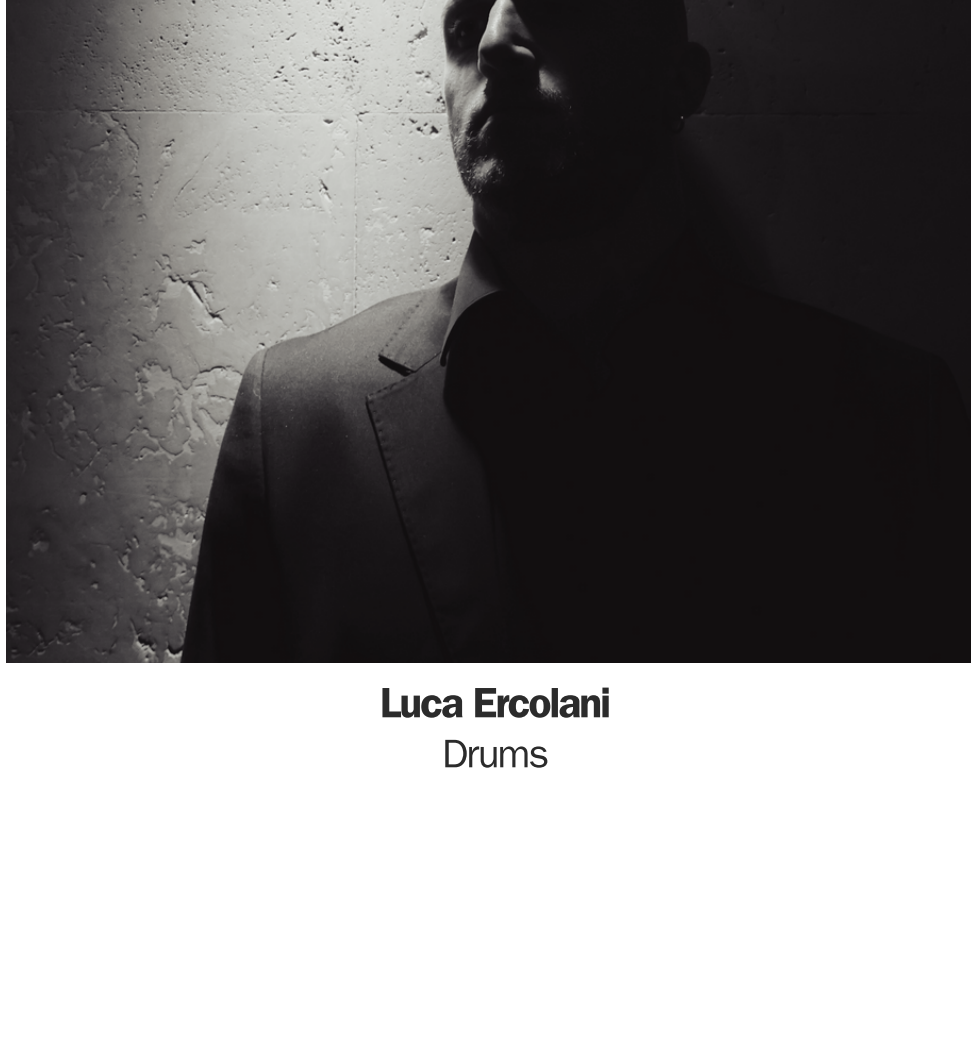

Giuseppe Colio
Vocals, Rhythm and Lead Guitars, Noise, piano programming

Stefano Allegretti
Rhythm, Lead and Acoustic Guitars, Keys

Jacopo Gianmaria Pepe
Bass, Lead Guitars 1 and 2 on The End

Luca Ercolani
Drums

Stefano and Jacopo are also involved in Bedsore (Season of Mist).
